Hello.

I think we need convenience stores for two reasons.

① First, we can buy foods anytime. When I get hungry at night, I can get some snacks there.

② Also, they sell delicious foods. For example, rice balls at convenience stores are as good as homemade rice balls.

Thank you.

Hello.

I don't think we need convenience stores for two reasons.

① First, supermarkets are as good as convenience stores. Some supermarkets are open all day, so you can go shopping during night.

② Also, convenience store prices are too expensive.

Thank you.

This apple is as sweet as that apple. (このリンゴはあのリンゴと同じくらい甘いです。)

This tomato is not as good as that tomato. (このトマトはあのトマトほどおいしくないです。)
