### **Example**

Hello.

I think more people will work overseas in the future.

- Firstly, more people will study abroad. They will work overseas after graduation.
- 2 Also, more people will want to work internationally. For example, more professional baseball players will play for overseas teams. Thank you.

## Hello.

I don't think more people will work overseas in the future.

- 1 Firstly, we will have communication problems because of our different languages.
- 2 Also, we will have to do a lot of paperwork such as visa applications. I don't like doing paperwork. So I will work in my country in the future. Thank you.

Thank you.	

未来のことを表すとき will を使うことができるよ。 will は話し手の強い意志を表す場合と、話し手の意思と関係なく自然に起こる単純な未来について言う場合の 2 つの使い方があるよ。

I will work overseas in the future. (私は将来、海外で働くつもりです。= 意志)

We will have to do a lot of paperwork. (たくさんの文書業務をしなければならないでしょう。 = 単純な未来)
