Hello.

I think convenience stores should be open 24 hours.

- ① Employees who work the night shift need snacks or medicine during the night. If convenience stores are open 24 hours, they can easily buy food, drinks, and medicine.
  - ② Also, people can withdraw money from ATMs during midnight. It is helpful for people who don't have time to go to the bank during the day.
- Thank you.

Hello.

I do not think convenience stores should be open 24 hours.

- ① First, I think it's difficult to hire staff who want to work late at night. Everyone should have enough rest and not work during the night.
  - ② Second, if convenience stores don't open 24 hours, so much electricity will be saved. These reasons are good for people and the environment.
- Thank you.

どんな人なのか詳しく言いたいとき、who を使って人を表す名詞の後に説明文をつけることができるよ。  
employees who work the night shift は、「夜の勤務で働いている人」という意味だよ。
