Hello

I think students should wear school uniforms.

- first of all, school uniforms make every student equal. If there are no school uniforms, some students will wear expensive clothes to school, and other students may feel that they have to do the same.
- Also, teamwork and cooperation between students will be stronger. They will feel that they are part of the same community. Thank you.

I don't think students should wear school uniforms.

- first of all, I think most schools are too strict about what to wear. Strict rules make school life boring.
- 2 Also, school uniforms are hard to adjust to students as they are growing. Schools should allow their students to wear clothes that fit them. Thank you.
