Example

I think that we are doing enough for the environment.

- First of all, many people are planting trees. Trees take in carbon dioxide and produce oxygen, and improve air quality.
- 2 Also, many people have stopped using plastic products. I think it's important for us to keep doing good things for the environment. Thank you.

ن ت

Hello.

I don't think that we are doing enough for the environment.

- 1 First of all, many people are still using cars. Cars produce harmful gases, and pollute the air.
- 2 Also, many people are still using a lot of plastic products that are bad for the environment. I think it is necessary for us to choose eco-friendly products. Thank you.
