#### STEP 1を使って自分の意見を書きましょう。

#### **Example**

I think junior high school students should use social media.

- 1 Do you know how useful social media is?
- 2 First, we can easily connect with our friends through social media. We can share messages, pictures or videos.
- 3 Second, we can meet people all over the world through social media. We can learn different cultures and languages.

Thank you.

Hello.

I don't think junior high school students should use social media.

- 1 Do you know how dangerous social media is?
- 2 First, there's a lot of fake information on social media. It is dangerous because some students believe information they read online.
- 3 Second, some social media content is violent. Some students might be shocked by them.

Thank you.

Thank you.			

疑問文が I'll tell you …のような他の文の一部になっている形を間接疑問というよ。間接疑問では、 疑問詞(what, why, how など)の後が「主語 動詞」の語順になるので注意しよう。

I'll tell you <u>what I have learned from social media</u>. (私が<u>SNS から何を学んだか</u>お話します。) Let me tell you <u>why junior high school students should use social media</u>.

(<u>なぜ中学生が SNS を使うべきか</u>お話させてください。)

I don't know how much time I spent on social media. (SNS に何時間使ったか分かりません。)
