Hello.

I think we should have pets.

- ① Pets can help protect our homes. For example, dogs bark when they see strangers. If a stranger is coming to your house, dogs can give you a warning. In this way, you can prepare yourself or call the police.
- ② Furthermore, living with a pet means you will never feel lonely. You can talk to your dog and hug it when you feel sad.

Thank you.

Hello.

I don't think we should have pets.

- ① Pets are a burden to take care of. They leave dirt, so you always have to clean up whenever they're around. Sometimes, they steal human food too.
- ② Furthermore, it's expensive to have pets. They need special pet food which is sometimes more expensive than human food. They also need regular check-ups from a vet.

Thank you.
