STEP 2 STEP 1 を使って自分の意見を書きましょう。**Example**

Hello.

I think that video games are good.

- ① Playing video games takes our stress away. For example, when I feel sad or stressed about school, I play video games to feel better.
- ② Also, you can make friends by playing video games. I sometimes join video game tournaments and I often meet new gamers. It's really fun!

Thank you.

Hello.

I think video games are bad.

- ① First of all, some video games have violent content. For example, in shooting games, players have to shoot or fight other players. Fighting is not good and should not be encouraged in any way.
- ② Next, playing video games is dangerous for our health. Many children and teenagers play video games for a long time. They don't get enough sleep because they are too busy playing games.

Thank you.
