Example

I think people should learn a foreign language.

- 1 These days, many people work in other countries. Some companies require employees to speak the country's language. When employees learn a foreign language, they have better job opportunities.
- 2 Also, learning a foreign language makes traveling in another country easy. It's very helpful when asking local people for directions or recommendations.

Thank you.

Hello.

I don't think people should learn a foreign language.

- 1 First, learning a foreign language takes effort, money, and time. Not everyone has the motivation, budget, and time to do it.
- 2 Second, it's difficult to learn a foreign language. I tried learning Chinese in the past but gave up after two months. I had a hard time learning Chinese pronunciation. Thank you.
