MEMO

STEP 2 STEP 1 を使って自分の意見を書きましょう。**Example**

Hello.

I think more subjects should be taught in English.

- ① If more subjects were taught in English, students would have more opportunities to use what they learned in English class. It's definitely a great way to practice.
- ② Secondly, students can learn to use English in different ways and in different situations. I think it's good for their future careers.

Thank you.

Hello.

I don't think more subjects should be taught in English.

- ① English is not my first language so I often have trouble using it. If more subjects were taught in English, I definitely wouldn't be able to understand all of them.
- ② Also, not all of my teachers can speak English well. It's difficult for them to teach us properly when they aren't fluent in the language.

Thank you.
